EXHIBITOR INFORMATION:

All dogs must be at least 6 months of age to compete in a Barn Hunt event.

All dogs must be on a short leash and under control while on trial grounds except while showing. **FLEXI LEASHES ARE NOT PERMITTED INSIDE ANY BUILDINGS.** Electronic collars, bark collars, and head halters are not allowed to be used on the trial grounds. **Dogs are required to run "naked" and should be brought into the ring with collars/harnesses/slipleads which can be easily and quickly removed and replaced.** Prong collars are not allowed in the ring.

There is **NO SMOKING** in this facility or on the grounds. Please pick up after your dog and dispose of waste in appropriate containers outside the building.

The trial will be held indoors, on matted concrete with tarps. There is heating and cooling in the building but please dress appropriately for the outside weather. The cooling system is via an industrial swamp cooler. It can still get hot in the building! Please bring lots of fans, power strips, and extension cords.

There will be crating space available inside the building but please make sure your crate is secure as the dogs may be highly excited. Disruptive dogs will have to be crated outside of the covered trial area. If your dog cannot handle other dogs or people walking past their crate, plan to crate outside the trial area. Please bring adequate shade.

Bitches in season are eligible to compete but will be required to be kept separate from all other dogs and will be run at the end of their class/trial and must wear pants. If bringing a bitch in season, please inform the trial secretary prior to the trial and inform all exhibitors at the judge's briefing.

No refunds allowed after closing, except in the case of injured dogs which can request a refund minus a \$5 administrative fee. A veterinary note may be required. **Requests for refunds must be made before 7am on the day of the trial.** Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the Event Committee.

Every attempt will be made to hold this event as scheduled. In the event of an "act of God" such as flood or fire, or civil disturbances or any other causes beyond the control of the organizing committee, the event may be canceled. We will make every attempt to contact entrants and inform them of the cancellation. Any refund of entry fees due to this will be made at our discretion.

Please bring adequate water for you and your dogs. There is currently no food available on site but there are also numerous fast food restaurants within 10 minutes of the trial. There are indoor restrooms at the site.

IMPORTANT: Only soft or metal crates are allowed - no x-pens. If the weather is nice, you can crate out of your car. All crates **MUST** have a tarp/blanket/towel/mat underneath them, between the crate and the matted flooring. Please be careful about water/food/etc spillage on the mats.

RV CAMPING:

Dry camping for RVs is available on site. There are no hook-ups (unfortunately, yes, this also means no electric). It's just a huge parking lot. :)

Permits will be issued – please email Jen@MatrixDog.com to reserve your space.

We are in an industrial area and back up to the highway (check out the satellite imagery for the address). There is a retaining wall between the parking lot and the highway but it's pretty desolate at night and there is a lot of road noise from the highway. Parking is at your own risk.

IMPORTANT DIRECTIONS TO TRIAL SITE:

Matrix Dog, LLC: 2780 Industrial Lane, Broomfield, Colorado 80020

IMPORTANT: Some map programs take you to the NORTH side of the street, but we are in fact on the SOUTH side of the street. Use “2750 Industrial Lane” for the address or look for the “Nighthawk Brewery” signs.

Drive around to the back of the building (the side where you can see Hwy 36). We are on the southwest corner of the building, there are stairs leading up to our door right under the back “Nighthawk Brewery” sign.

Call 720-523-3647 with questions. Visit www.MatrixDog.com/location for more information and a map.
