We are happy to train anyone in any position! Thank you!!!

**WE ARE STILL IN NEED OF A CHIEF COURSE BUILDER! YOU WILL BE FED & COMPENSATED!!**

### Parking:

**IMPORTANT!!!** Please do not block the other businesses and do not block any garage bay doors, especially during the work week. Big moving trucks need to be able to access to the garage door bays. There will be cones set out in the parking lot to mark where our area ends, please do not park past those cones.

## **RV Parking:**

Dry camping is available on site. Email [Jen@MatrixDog.com](mailto:Jen@MatrixDog.com) to reserve a space and get a parking pass (required).

## **Miscellaneous Notes:**

The building has a swamp cooler, but please feel free to bring **fans** and **extension cords**.

**Water** is only available up front in the bathrooms in the brewery - please bring water jugs for dog water.

**X-Pens** are NOT allowed due to the matting. All **crates** must have a towel/tarp/blanket between them and the matting. (It's expensive flooring!)

**Crating space** will be tight. Please pack light. RMR reserves the right to limit individual crating space.

You are welcome to bring **chairs** but please remember to protect the matting!

**Dogs** must be kept on lead in keeping with the leash laws. Please also remember that this is a shared warehouse and to respect other people's property!

**Per Barn Hunt Association rules:** Dogs that are loud and disruptive may be asked to be located away from the rings/crating area.

**Potting:** There are some grass/mulch areas/fields outside the building. Please be sure to pick up after your dog. Please keep your dog from peeing on the side of the building, or on any items that people have to pick up! Please clean up any accidents in the building immediately.

**Food/Drinks:** Nighthawk Brewery now has a salad & pizza kitchen! Menu here: <http://www.nighthawkbrewery.com/kitchen-menu/>. Since Nighthawk Brewery now serves food, health code regulations state that **DOGS ARE NO LONGER ALLOWED** in the taproom or game room. Dogs are now limited to the back warehouse area.

You are welcome to bring your own food into the facility but you **MUST** keep crumbs/spills off the mats or we will not be able to allow this in the future. We are attached to a brewery and you can bring drinks from the brewery back into our space, however it is recommended you bring a non-spill cup. Please remember to bring any glasses back up to the brewery when you are finished with them. The brewery also has a game room and you are welcome to eat/drink there if you make a purchase at the bar.

**Bathrooms:** There are bathrooms on site, there are two in the brewery game room (middle room) and two at the front of the bar.
