

# Front Range Scent Work Club AKC Scent Work Trials September 10-11-12, 2021

## Location:

Hughes Supply, 1610 Vista View Dr, Longmont, CO 80504 **See back page for map.**

We will be using the outdoor fenced yard along with the office and warehouse sections of the building. **Check in area will be through the main entrance in the lobby or just outside those doors depending on weather. DO NOT bring dogs into the front lobby unless you are queuing for a search area or an all day worker crating inside.**

**Please be sure to read any posted signs for important information!**

## Parking/Crating:

If you plan on idling your car, do not park in the spots up against the building. You will be asked to move. There is also street parking available. Last time we were also able to park in the lot across the street – we will send out a message if this is okay for these trials.

**DO NOT PARK IN THE NEIGHBORING PARKING LOT TO THE WEST OF THE BUILDING.** This business is open during the weekend. If you see anyone over there please help us out and let them know that they shouldn't be parked there. We do not want Hughes receiving complaints!

Due to space restrictions, crating will be out of your vehicles. Bring shades, fans, heaters, etc. No electricity will be provided. Canopies may be able to be set up depending on space, be sure to not block vehicle and emergency access. Please practice social distancing consistent with current guidelines and avoid congregating to the extent possible. Vehicles **MUST** fit in a legal parking spot.

## ***But What Time Will My Class Start?***

We get a lot of questions on "when will my class start" for trials. We cannot give out times other than the start of the first class of the day. However, here is a way for you to estimate when your class MAY start running:

In the Regulations for AKC Scent Work (on the AKC website under "Scent Work" "Regulations Resources"), page 18 under Chapter 3 Section 22 it lists an estimated time per entry per class/level.

Above, we give entry counts as of the pre-entry closing along with the order the classes will run.

You can multiply out the estimated judging time per run x the entries in each class to get a rough estimate. However, please note that this doesn't include absent dogs, move-ups, day-of-show/late entries, judge breaks, lunch breaks, etc. And runs don't always last the "estimated" judging time per run. There are no refunds/credits/moves for missed runs. Calculate at your own risk!

## Move-Ups:

Next day move-ups are offered. Move ups for the next trial must be in writing to the Trial Secretary no later than 30 minutes after the last dog finishes that trial.
